\$40.57

ASUS WT400 Brown USB mouse features a sleek, ergonomic design with a textured surface for enhanced grip. It is equipped with three main buttons and a scroll wheel, providing precise navigation and control. The mouse is powered by two AAA batteries, ensuring long-lasting performance. Its compact size makes it ideal for desktop use, and the USB connection offers a reliable and easy-to-use interface. The brown finish adds a touch of sophistication to your workstation.
